

APÊNDICE B - Espectros de NIR obtidos na Primeira Fase do Trabalho

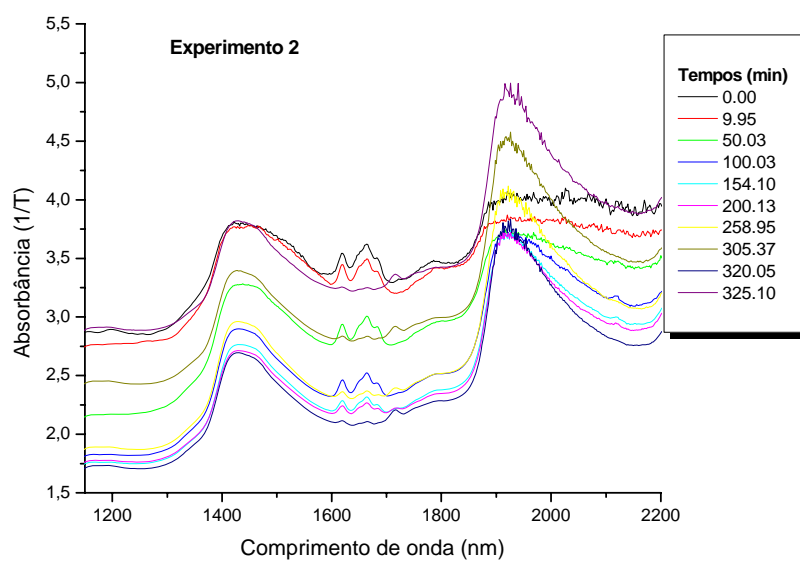

Figura B.1 – Espectro bruto do experimento 2.

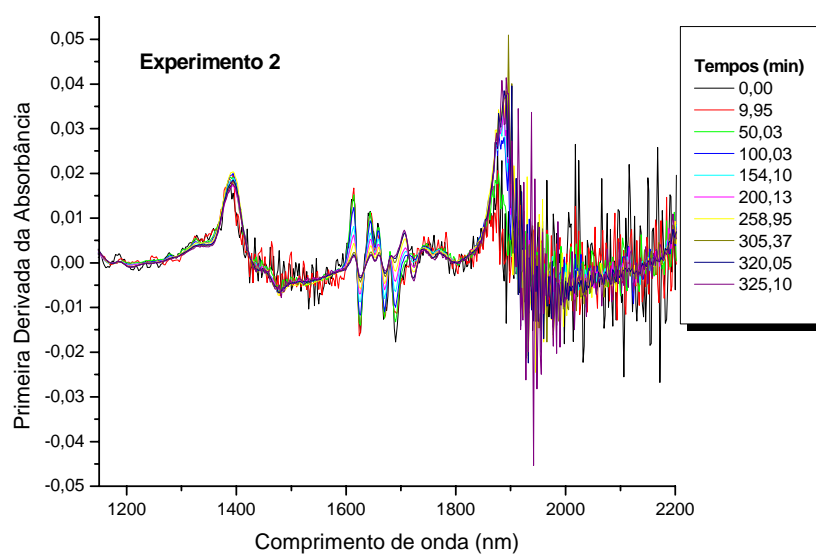

Figura B.2 – Primeira derivada do espectro de NIRS do experimento 2.

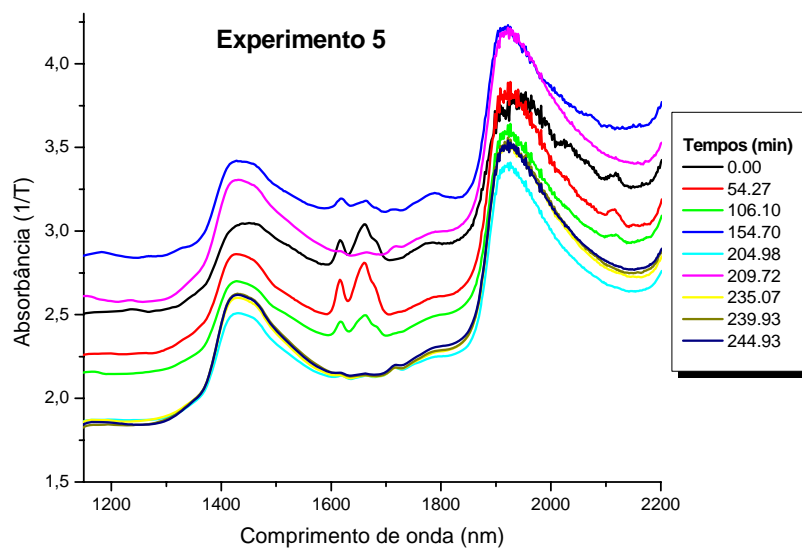

Figura B.3 – Espectro bruto do experimento 5.

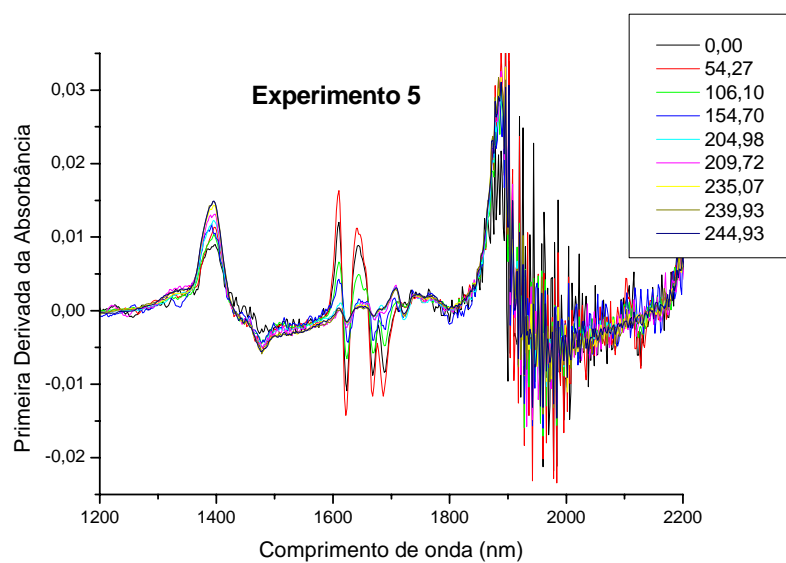

Figura B.4 – Primeira derivada do espectro de NIRS do experimento 5.

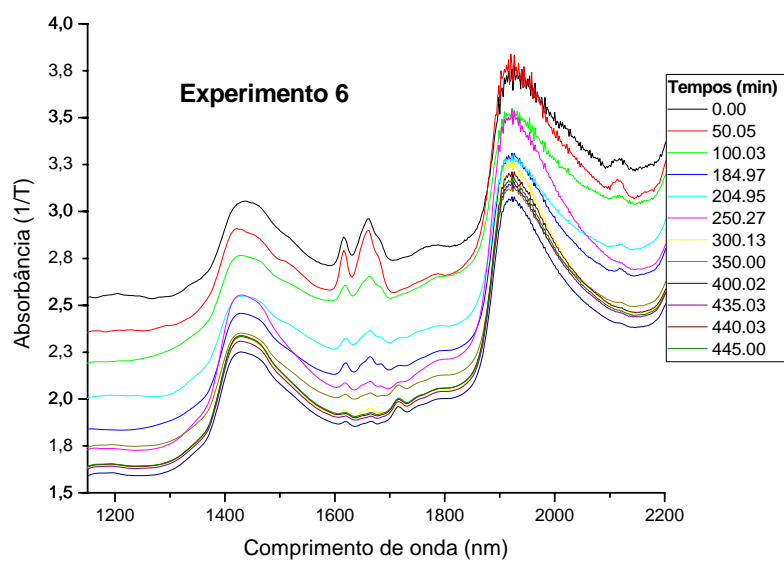

Figura B.5 – Espectro bruto do experimento 6.

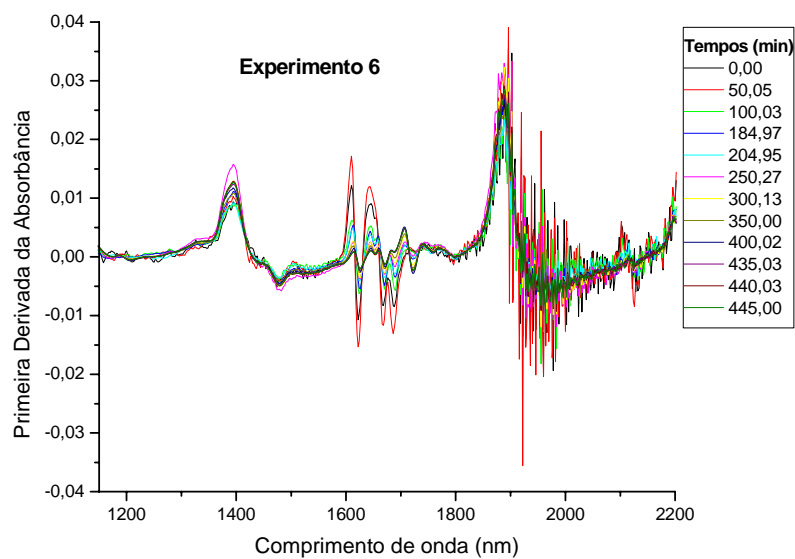

Figura B.6 – Primeira derivada do espectro de NIRS do experimento 6.

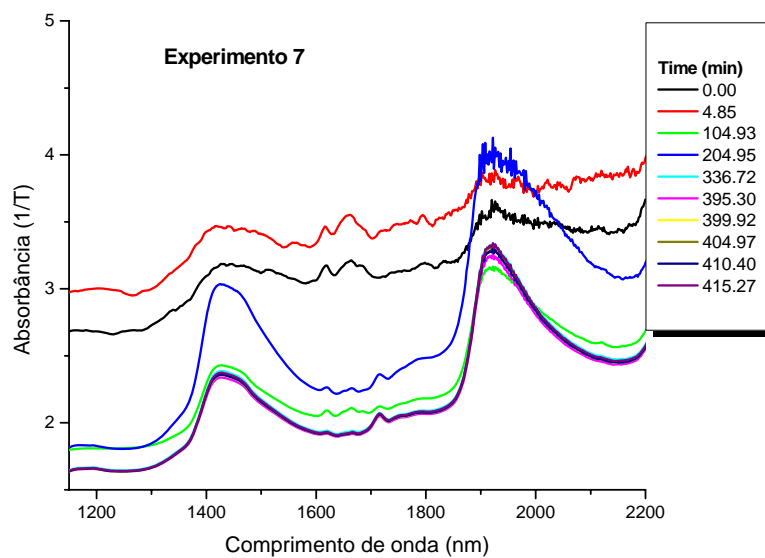

Figura B.7 – Espectro bruto do experimento 7.

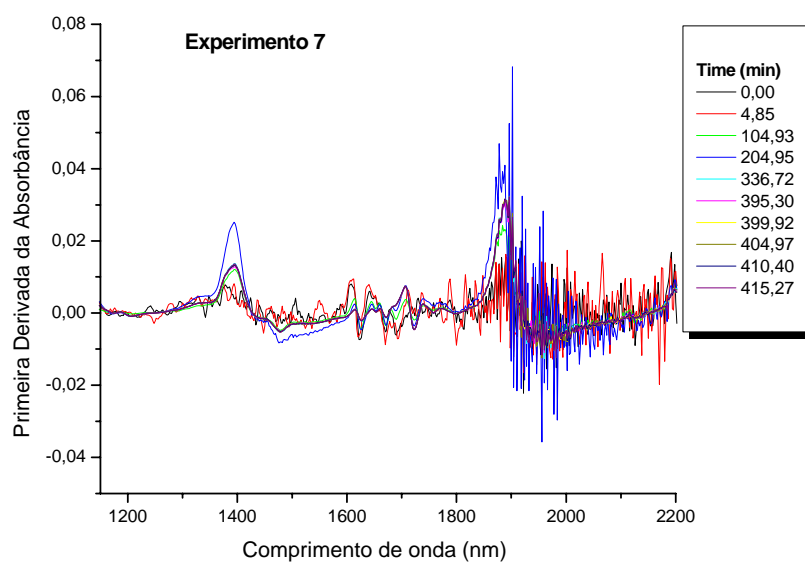

Figura B.8 – Primeira derivada do espectro de NIRS do experimento 7.

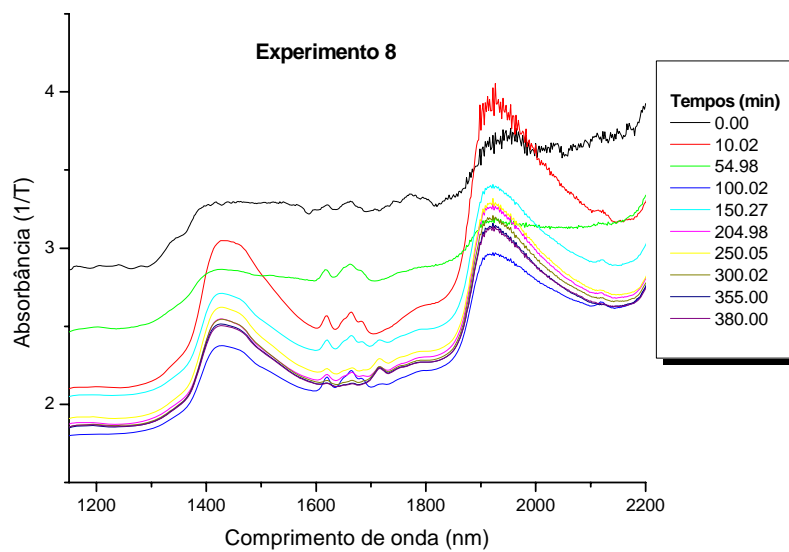

Figura B.9 – Espectro bruto do experimento 8.

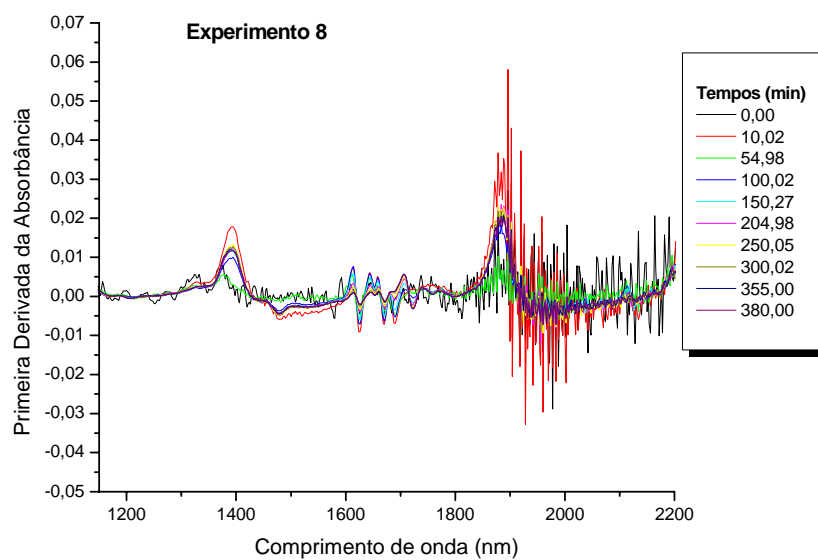

Figura B.10 – Primeira derivada do espectro de NIRS do experimento 8.

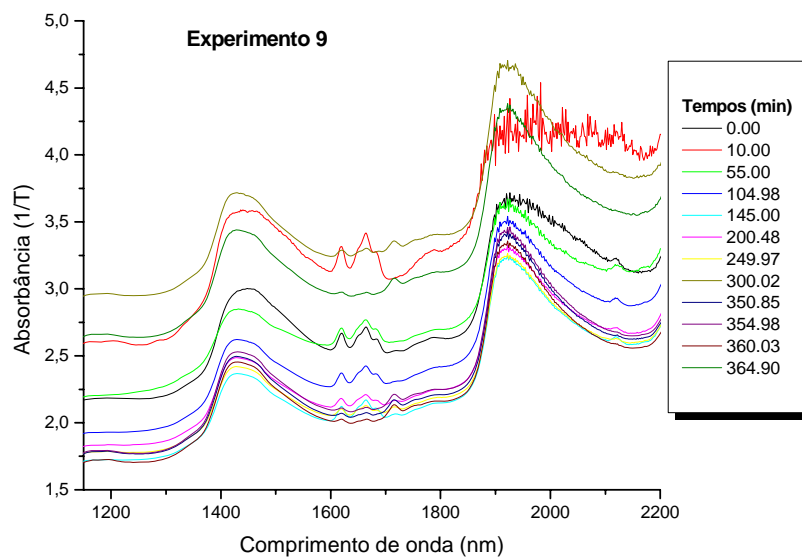

Figura B.11 – Espectro bruto do experimento 9.

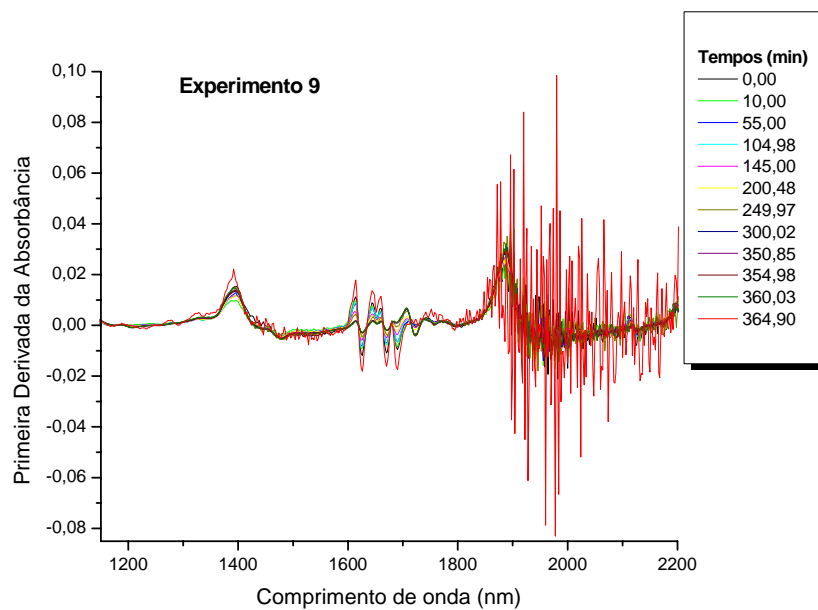

Figura B.12 – Primeira derivada do espectro de NIRS do experimento 9.

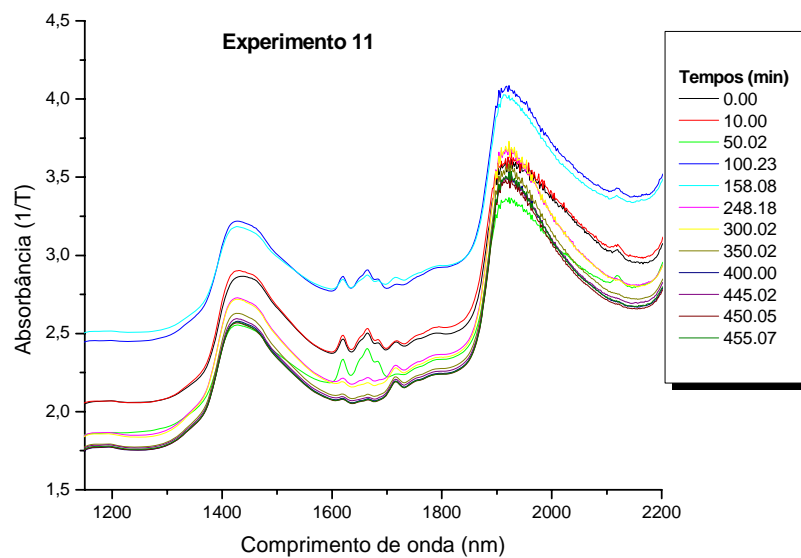

Figura B.13 – Espectro bruto do experimento 11.

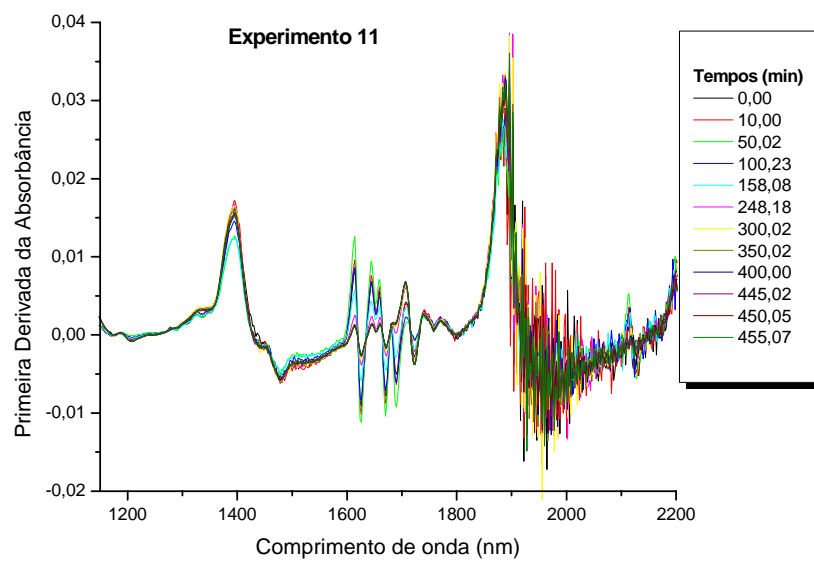

Figura B.14 – Primeira derivada do espectro de NIRS do experimento 11.

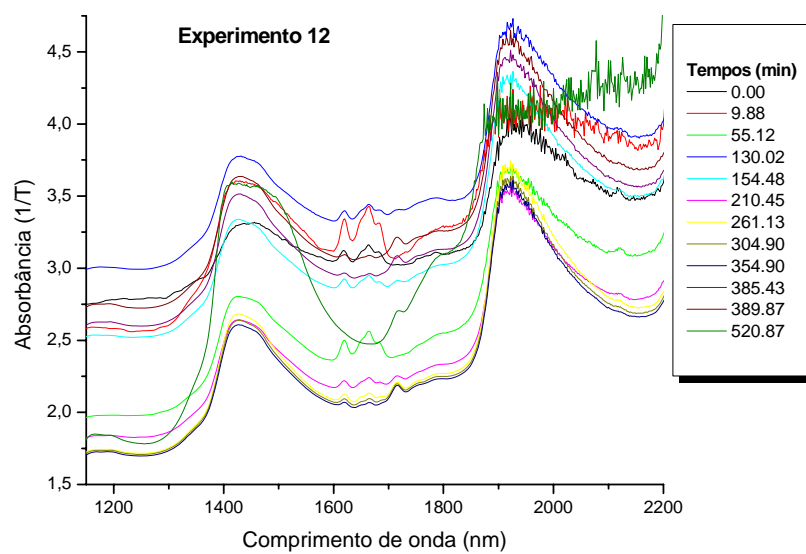

Figura B.15 – Espectro bruto do experimento 12.

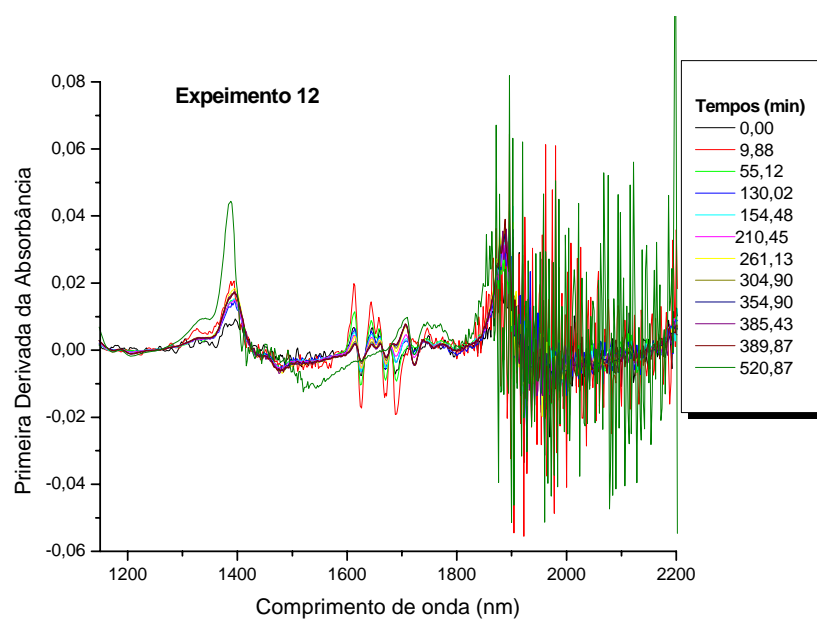

Figura B.16 – Primeira derivada do espectro de NIRS do experimento 12.

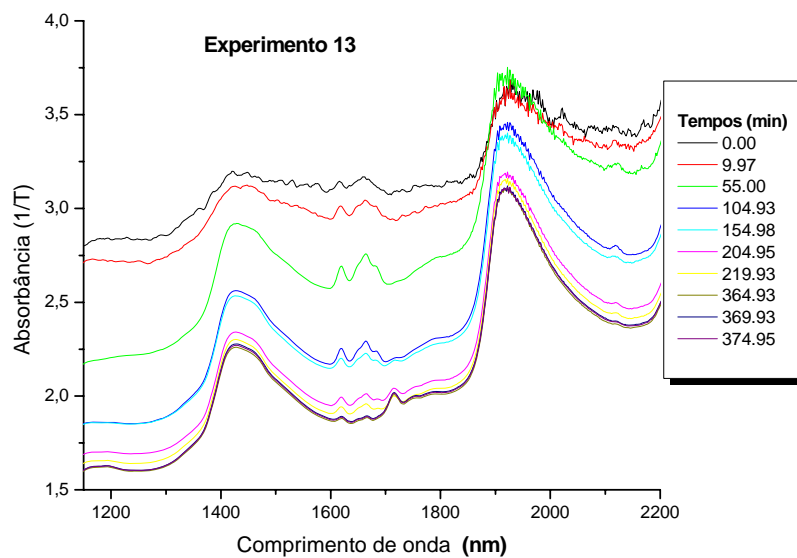

Figura B.17 – Espectro bruto do experimento 13.

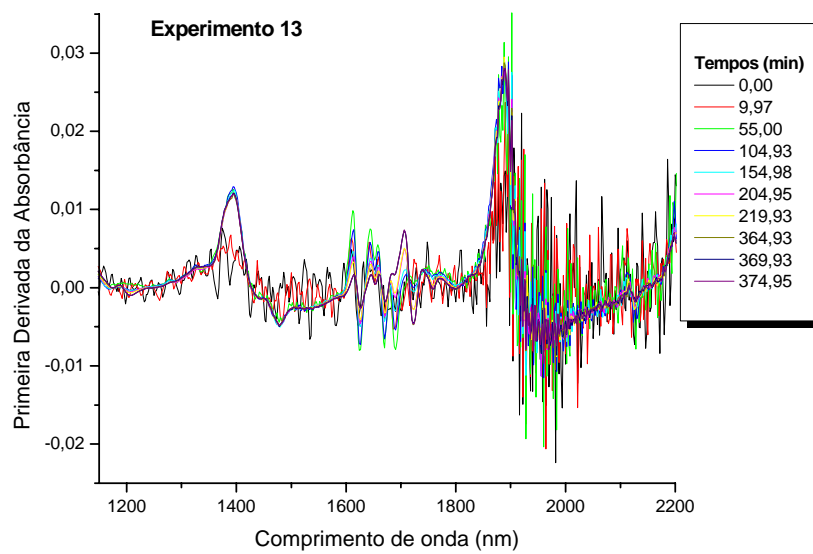

Figura B.18 – Primeira derivada do espectro de NIRS do experimento 13.

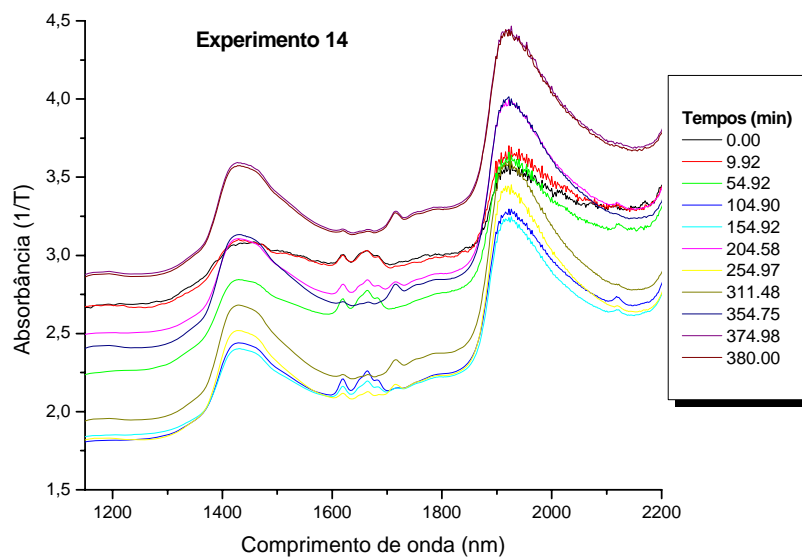

Figura B.19 – Espectro bruto do experimento 14.

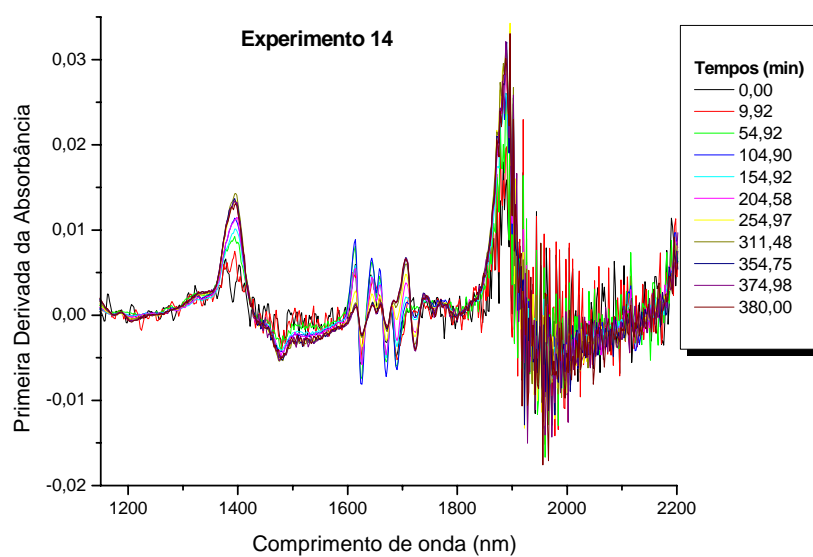

Figura B.20 – Primeira derivada do espectro de NIRS do experimento 14.

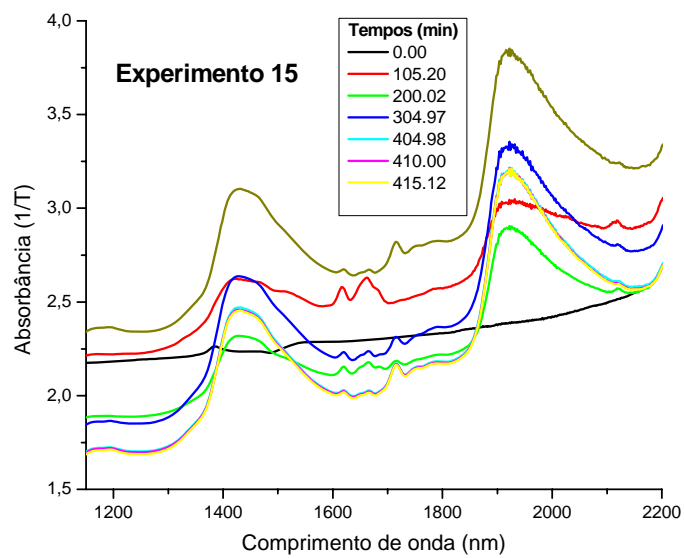

Figura B.21 – Espectro bruto do experimento 15.

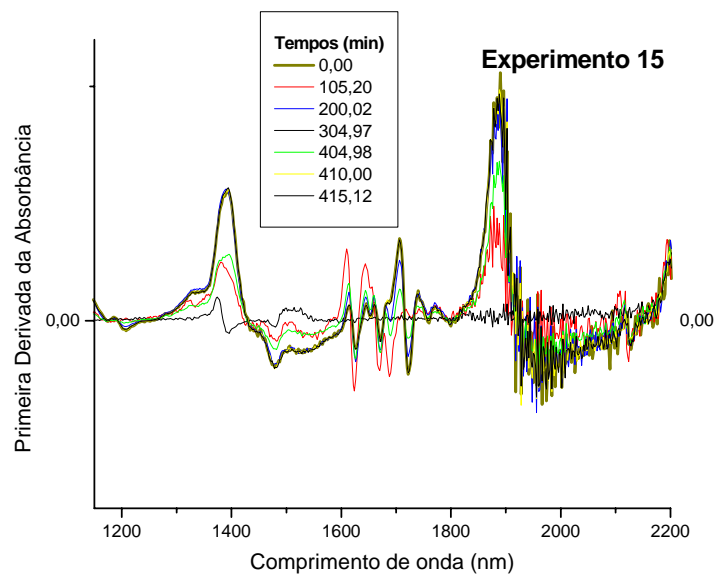

Figura B.22 – Primeira derivada do espectro de NIRS do experimento 15.

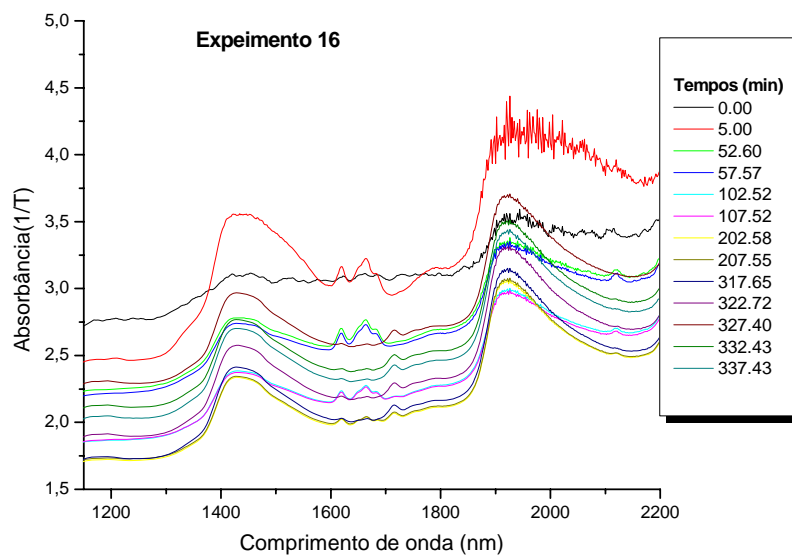

Figura B.23 – Espectro bruto do experimento 16.

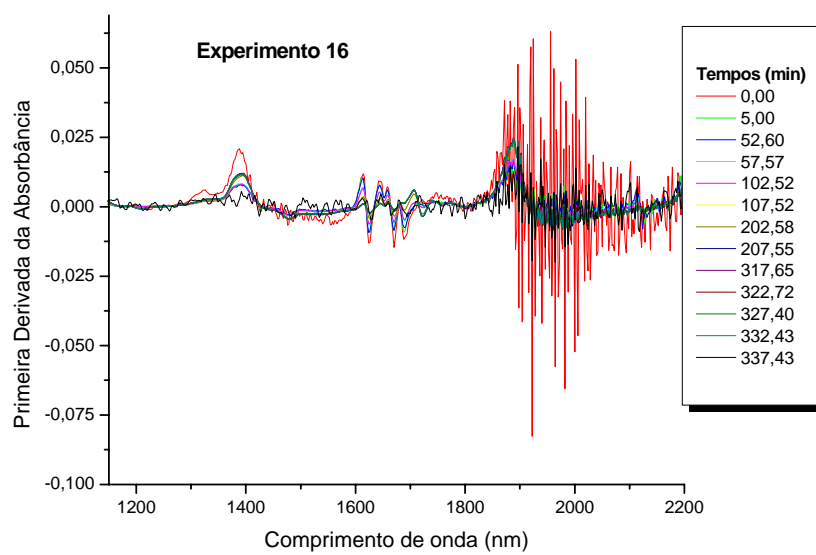

Figura B.24 – Primeira derivada do espectro de NIRS do experimento 16.

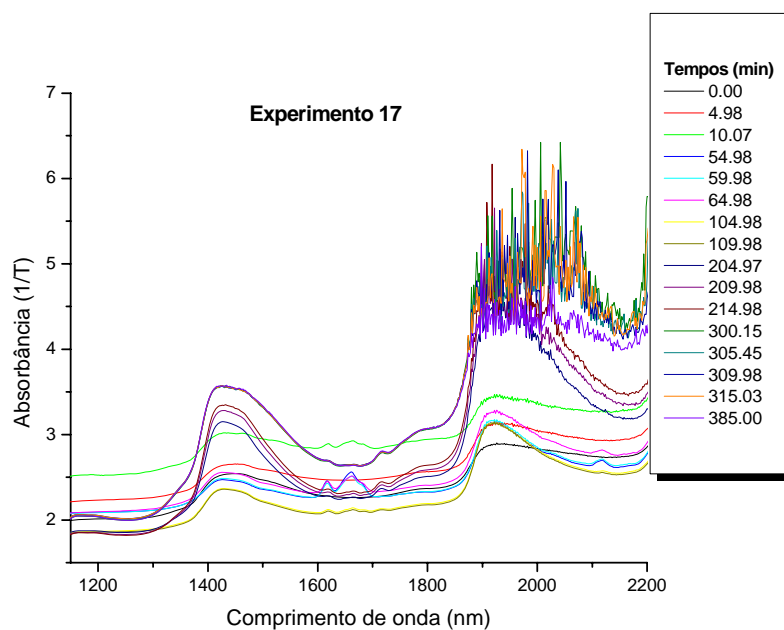

Figura B.25 – Espectro bruto do experimento 17.

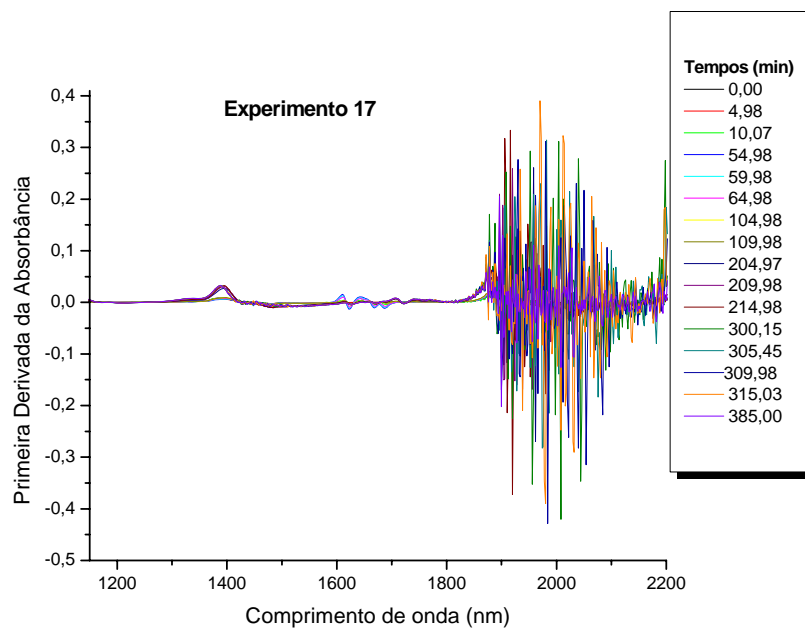

Figura B.26 – Primeira derivada do espectro de NIRS do experimento 17.

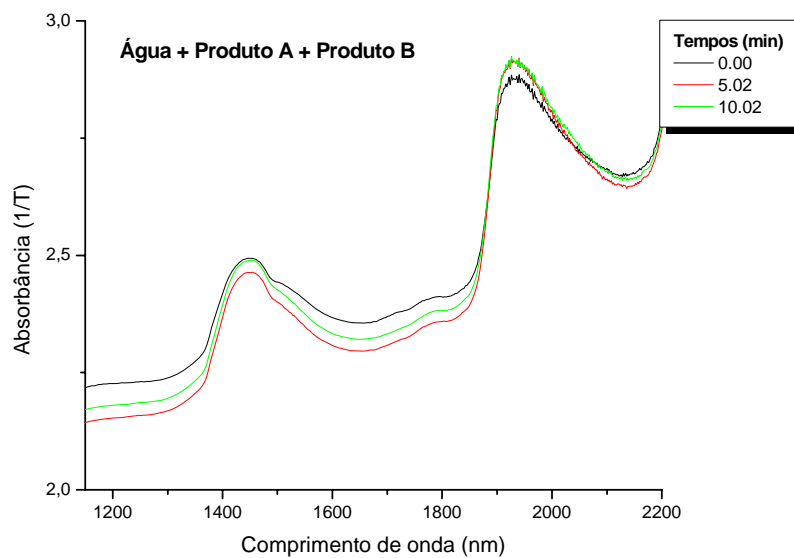

Figura B.27 – Espectro bruto da mistura (água + Produto A + Produto B).

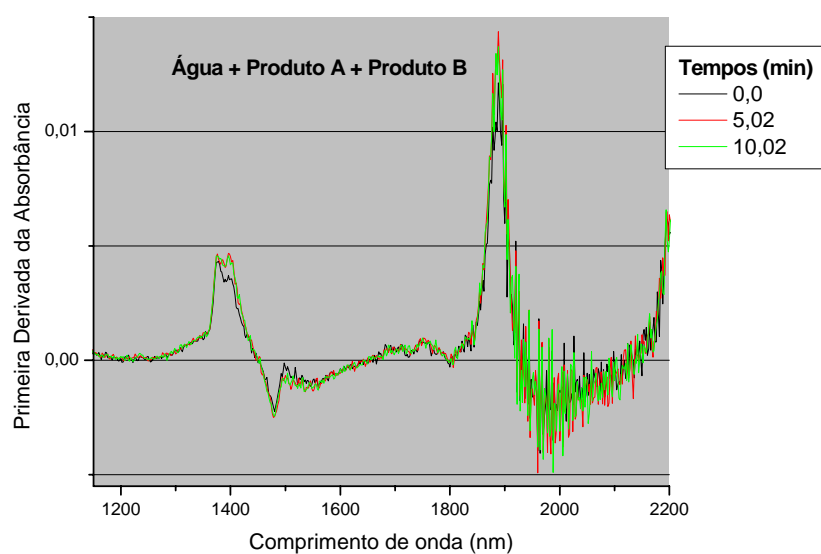

Figura B.28 – Primeira derivada do espectro de NIRS da mistura (água + Produto A + Produto B).

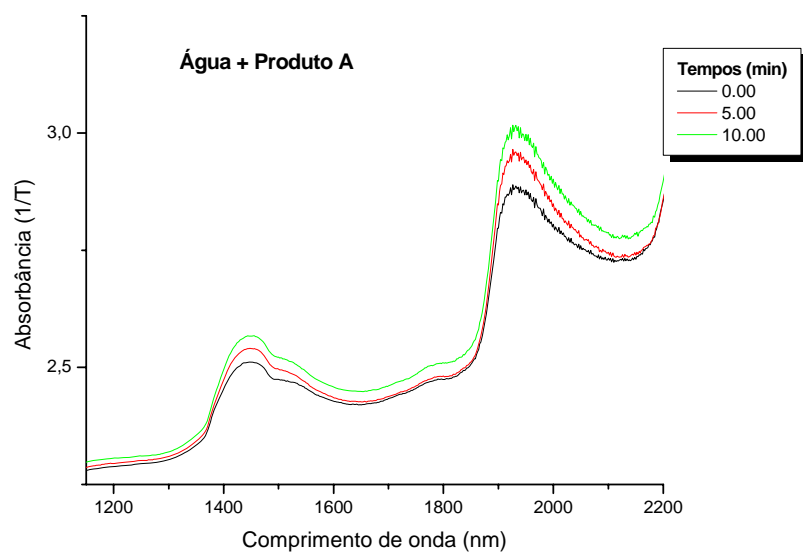

Figura B.29 – Espectro bruto da mistura (água + Produto A).

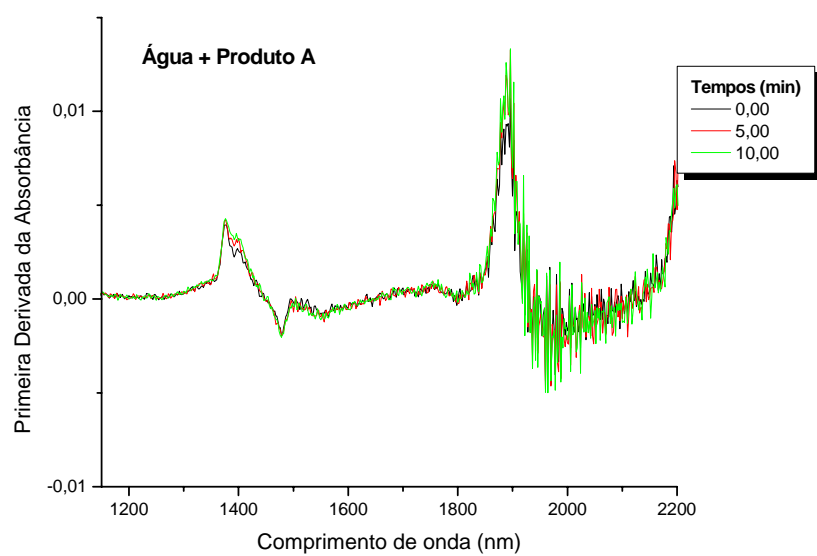

Figura B.30 – Primeira derivada do espectro de NIRS da mistura (água + Produto A).

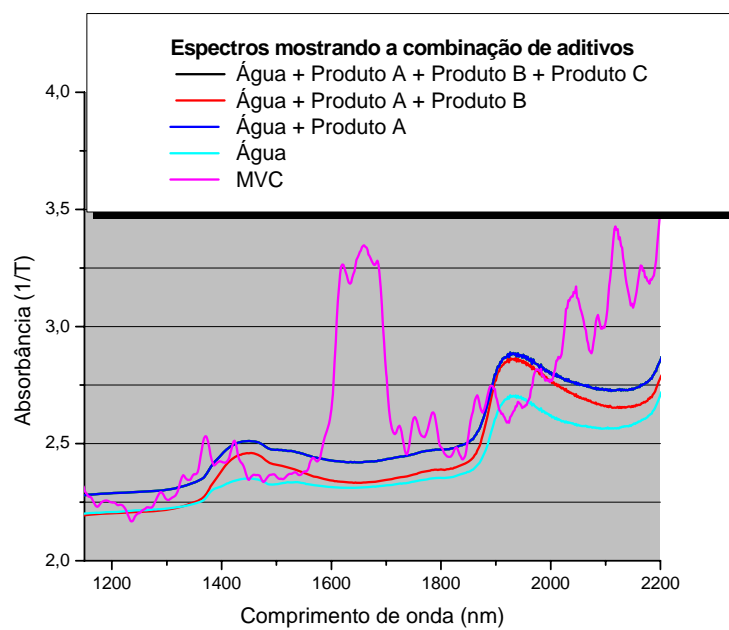

Figura B.31 – Comparação espectros dos aditivos usados na polimerização do MVC.
